K3

Grade Level

Name of Activity

My Wish

Objective(s)

- Understand people from all walks of life
- Understand people from all walks of life through visits and further think about "My Wish"
- By experiencing people from all walks of life, deepen their job responsibilities and develop their sense of responsibility

Brief Descriptions:

Visit " Pamela Peck Discovery Space", which has different learning areas for construction workers, doctors, cashiers, market owners (seafood stalls, meat stalls), chefs, MTR passengers and conductors, stage actors, and backstage lighting and sound controllers, fishermen, scientists, painters, etc., Through activities and games, children can learn about and experience different careers, further think about "my aspirations" in the future, and share their feelings.
